

February 2026

ENGR. ROBERT S. PALMERA

District Engineer

DPWH Iloilo 3rd District Engineering Office

Brgy. Puerto Princesa, Barotac Viejo, Iloilo

Dear Sir,

I am writing to express my interest in joining DPWH Iloilo 3rd District Engineering Office, particularly in the ICT Unit or any available position that matches my qualifications. As a recent graduate of Bachelor of Science in Computer Engineering, I am motivated to utilize my skills and dedication to support the successful execution of your office's operations.

During my academic training and On-the-Job Training experience, I gained hands-on exposure to system maintenance, data management, and technical troubleshooting. I am confident that my ability to quickly learn new technologies, solve problems, and work collaboratively will allow me to effectively assist your team. I am also committed to taking on new challenges and responsibilities to further develop my professional capabilities.

I would be honored to discuss how I can contribute to your office and support its objectives. Thank you for considering my application, and I look forward to the opportunity to serve and learn under your guidance.

Sincerely,

Christine T. Landayao
